
How can you support our Förderverein?

We can only thrive through the **support** and **ideas** of our parents!

Becoming a **member** of our association means that you can actively shape and/or financially support our Förderverein.

Every member pays a flexible annual fee, starting at 1€/month.

On our homepage you can find the **application form**.

Förderverein der Grundschule am Addis-Abeba-Platz

A short introduction

Schule am Addis-Abeba-Platz

What is a "Förderverein"?

A "Förderverein" is a **non-profit association** that supports our school and after-school-activities financially and organizationally.

What is a "Förderverein" doing?

We support our school and our after-school- activities **financially** and **organizationally**.

We help with purchasing necessary items or giving money for projects and school festivals.

All money acquired goes back to our school and after-school-activities.

Why do we need a "Förderverein"?

We are very important for our school and after-school-activities to financially support projects and necessary purchases.

Some funds provided under public development schemes can only be used through a "Förderverein".
